

HORNOR FAMILY

September - October 2021

Dear Pastor and Church Family,

We rejoice in the Lord for the privilege of serving Him these past two months. We are very grateful for your prayers and participation in what the Lord is doing here in *Sinaloa*.

SEPTEMBER

On Sept. 2nd, Pastor *Radamés* and family left *Alhuey* for *Morelia*. They will eventually take over the church ministry of missionary Jim Gardner. We miss them greatly, and they have left a big gap to fill. I do look forward to the fact that the "gap" will allow others from our church to help "fill in" those places of ministry.

Also, this month I began a class after our midweek service on Hermeneutics and Homiletics. All of our present teachers are taking the class plus a few more who want to help one day with teaching toddlers and primary kids.

Another great blessing this month was the joy and privilege I had of baptizing five young people, including our 11-year-old daughter. It was a very encouraging moment for our church people to see these five young people decide to follow their Lord in obedience through baptism.

In addition, this month I was able to begin biblical counseling sessions with a couple and a young man from church. Both sessions went well. Please pray for them as they seek help from God's Word.

Towards the end of the month and with the help of some young people from church, we were able to renew our effort to fence the church property. This project

began in June and has been coming along slowly, but surely.

The last Friday of the month our church hosted the monthly men's meeting. We all enjoyed a good time of fellowship, food, and time in the Lord's Word.

OCTOBER

I was able to continue the Baseball Chapel ministry. It was a joy to get to see again those baseball players and for them to remember me and still have an interest in spiritual matters. Please continue to pray for me as I minister unto these men.

This month a couple from *Guamúchil* visited our church again; and, after a morning service they told me of their desire to join. Right now, we are in the process of their possible membership.

Around the middle of the month, the owners of the house where we have held services in *Guamúchil* for about a year told us they need the house now. The following Friday we were able to move all of the church-plant's items and stored them in *Alhuey*. Currently, the members of *Jesús Salva* are attending church here in *Alhuey*. Please pray for us as we seek the Lord's direction for the work in *Guamúchil*. We are grateful for one of the families who have been faithful in attending our services here in *Alhuey*.

Also, this month my wife has had various opportunities to witness and to serve others. One opportunity has been having two young ladies in our home, one of whom has been attending church and participating in church activities.

Praises/Prayer Requests

- Pray for my homiletical class that the Lord would give me grace to teach and that our people would learn enough in order to help teach others.
- Pray both for the young man and couple in counseling. Pray that they would allow the Lord to work in their hearts through the teaching and application of His Word.
- Pray for the five young people who were baptized that they would continue to seek and follow the Lord with their lives.
- Pray for the couple who wants to join our church. Pray that the process will go well and that they will be encouraged to serve the Lord with us.
- Pray for us as a church as we seek the Lord's direction regarding the work in *Guamúchil*.
- Pray for the salvation of my wife's two friends who have heard the gospel on various occasions.
