

HORNOR FAMILY

July - August 2022

JULY

Diana and Jimena leading a song. We had about 65 kids participate in our VBS.

About 30 kids that came on Sunday to receive their certificate.

Grateful to the Lord for the good number of helpers.

Please continue to pray with us for the kids who have been attending the mid-week prayer service and on Sunday morning. My wife and another lady from church pick them up.

AUGUST

We had the joy of taking our youth to Camp META where my wife and I were also able to serve.

Diana taught two sessions and also helped in the kitchen.

I taught once and also helped put siding on one of the camp buildings.

Please continue to pray for our young people that they will continue to follow the Lord with the decisions they made.

We took two young ladies from our church (first and fourth from right) to IPES, a Bible institute in *Hermosillo*.

While in *Hermosillo*, I had the privilege of preaching in chapel and for the opening banquet. Also, it was a great blessing to see our friends and participate in the opening activities for this school year.

Praises/Prayer Requests

- Please pray for the kids that are attending church since VBS.
- Pray for our young people that they will remain faithful to the Lord.
- Pray for a young lady that has begun to attend our church. She is from *Guamúchil* and is 23 years old. Diana was able to witness to her and she wants to continue coming to church and youth meetings.
- Pray for our continued efforts to evangelize the small town of *Angostura*.
- Pray for *Belén* and *Lupita*, the two young ladies we dropped off at IPES in *Hermosillo*.
- Pray for spiritual strength for the families from church.
- Pray for us that the Lord would give us wisdom and grace as we minister and serve others.
- Pray for my wife as she home schools our kids this year.
- We want to thank Faith Baptist from Decatur, AL for the packet of printed materials. The people from our church have already started to use the bookmarks.
