

HORNOR FAMILY

May - June 2022

May

My wife finished her discipleship class with the young ladies. She is grateful for the faithful attendance of each young lady. Pray for their spiritual growth.

Missionary *Marcos Mangas* to Cuba

Missionary *Rodrigo Victoria* to Ghana

We had the privilege of receiving two missionary families. They were both a blessing to our ministry and it also gave me the opportunity to preach on missions and faith promise. By God's grace, our church is now giving through faith promise to missions and we have decided to support three missionaries a month.

Grateful for the teachers in our church

Eating out with the teachers for "Teacher's Day" (May 15th)

June

Grateful for the fathers in our church. Please continue to pray for us. Two here pictured are unsaved.

Youth activity in *Guamúchil* passing out tracts in the *plaza*. I was able to speak with an elderly couple that had many questions.

Last couple's class until the Fall.

Praises/Prayer Requests

- Please pray for VBS here in *Alhuey*. We finish this Sunday, July 24th.
- Continue to pray for our efforts in reaching *Angostura*. We have made some good contacts, but no one has visited us yet.
- Please pray for some of our church families. They are struggling spiritually.
- Pray for us that the Lord would give us grace and wisdom as we counsel those families.
- Please pray for the young people going to camp that they may allow the Lord to work in their hearts.
- We praise the Lord for the three missionaries we have begun to support. Pray that our church will remain faithful.
- Pray for four of our youth that graduated from high school that they would follow the Lord with their lives.
